THE FUTURE OF VR ENTERTAINMENT

The Story

Enter the Duat is a surreal virtual reality adventure where the story unfolds around you. Based on the Egyptian Book of the Dead, this experience takes you to an incredible journey into the mythical story of the sun god Ra and his nightly battle with Apep, the serpent god of chaos.

THE FUTURE OF ENTERTAINMENT

What people think

CTV

"Bringing the impossible to life, The Phenomena's immersive VR experience is tactile and haunting."

Urbania

"An experience unlike anything I've ever had. I was not playing a game, I was THE game."

Journal de Montreal

"This VR experience is fascinating, I can't wait to discover more from this company."
