HOROS

Virtual Reality Immersive Experience

★

A Worthwhile Investment

Tried by more than 1,000 people - with near perfect rave reviews

📖

A Narrative experience

Horos is a unique narrative VR experience that encapsulates many of the qualities people have come to love from escape rooms

$

Interesting throughput

Up to 48 people per day in multiplayer for optimal throughput

IMMERSIVE ENTERTAINMENT

The Story

Horos is a virtual reality experience that blurs the line between virtual and reality. Dive into the world of Horos to travel through space and time. Join your guide Seni and live a breathtaking adventure, but be careful of the entities that could lead you to the virtual realm abyss.

Free-roam narrative

CREATED BY GREAT MINDS

How it works

Horos is a 12' x 12' location based immersive experience. The physical environment is synchronized with the virtual objects to enhanced your haptic sensation of Horos universes. Put on the virtual reality headset, grab the controller and embark on a 20 minute exploration.

GO ON A MIND BLOWING ADVENTURE

A physical and sensorial experience

As an adventurer you will be able to move around and interact naturally with the virtual world that surround you. Interact with the physical environment as you explore Horos universe.

PLAY WITH FRIENDS

1 to 2 players adventure

Travel through the Horos environments alone and live a personal experience or embark with a teammate to share this unique trip. Only 1 operator needed.
